ABOUT US

Arabica was born from a love of the vibrant flavours, rich traditions, and boundless hospitality of the Eastern Mediterranean.

For over two decades, founder James Walters has roamed the fertile valleys, mountain villages, coastal towns, and bustling cities of Lebanon, Syria, Jordan, Turkey, and beyond—driven by a deep curiosity to taste, learn, and immerse himself in the region's culinary heritage.

Along the way, we've met inspiring producers, shared home-cooked feasts, and lingered over time-honoured meze classics with arak in historic tavernas. From lively grill houses to bustling modern eateries, every experience has shaped our approach to an extraordinary cuisine—bursting with flavour, colour, and texture.

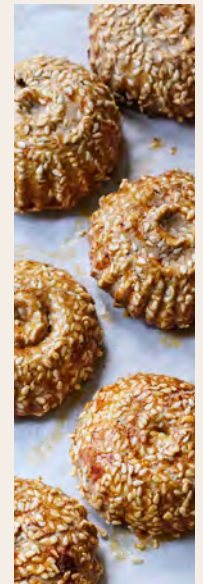

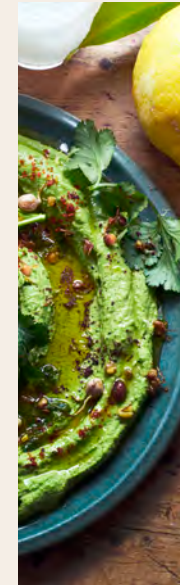

What started as a passion has grown through word of mouth and trusted recommendations. Today, Arabica supplies a diverse range of clients, from independent delis and food halls to some of the world's most prestigious hotels and restaurants.

At its heart, Arabica is about breaking bread and bringing people together—honouring a region bound by shared traditions, a respect for the seasons, and the unique influences of its diverse landscapes.

OUR SENSIBLE SOURCING POLICY

Our approach to sourcing is guided by a respect for quality, sustainability, and the people behind our ingredients.

We carefully select suppliers who share our values, ensuring our ingredients are sourced responsibly. Our meat is grass-fed and halal, our fish comes from sustainable stocks, and we prioritise local and seasonal produce whenever possible. For more specialist ingredients, we work with a handful of trusted artisans across the Levant, bringing the region's rich flavours to our kitchen.

BRINGING THE FLAVOURS OF THE LEVANT TO YOUR KITCHEN

FOOD SAFETY & STANDARDS

WE SUPPLY THE FINEST IN LONDON AND BEYOND

We supply prestigious hotels, food halls, delicatessens, and caterers across London and beyond from our central kitchen.

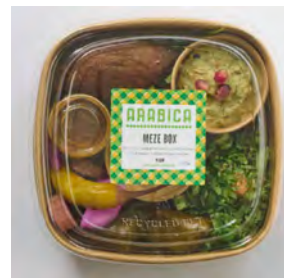

Our central kitchen is independently audited every year and works in partnership with Food Alert to ensure full compliance with food safety and hygiene standards. We undergo regular audits covering the production of fresh, ready-to-eat food and ambient products, including cooking, cooling, packing, storage, and distribution.

For copies of our policies or information on allergens, please don't hesitate to contact us.

We're confident that both you and your customers will love our range of fresh meze, authentic Middle Eastern dips, salads, finger foods, and baked goods.

TERMS & CONDITIONS

TRADING HOURS

Our offices are open from 9:00am to 5:00pm Monday to Friday excluding bank holidays. Orders must be placed by email wholesale@arabicalondon.com

PRICES

This new list cancels all previous lists. We intend to hold our prices for the duration of this list. However, we buy from some of our suppliers in dollars and euros. Although we hedge a proportion of our currency “risk”, we don’t insure the risk 100% and this means that we may have to change prices with minimum notice, especially at harvest time. We will, however, do everything we can to avoid this – we appreciate it is disruptive for everybody. Prices and product formats listed here are correct at the time of going to press. Please note that prices requiring VAT to be added are marked with ‘*’ on the pricelist.

PLACING AN ORDER, DELIVERIES & COLLECTIONS

We deliver nationwide on Mondays, Wednesdays and Fridays and generally require 72 hours notice for fresh food orders.

Greater London deliveries:

- Orders up to £150 are charged at £15 + VAT
- Orders over £150 are sent free of charge

Nationwide deliveries:

- Orders up to £250 are charged at £15 + VAT
- Orders over £250 are sent free of charge

These terms apply on UK mainland only excluding. For timed deliveries, please request a quotation from the sales team.

We have to know within 24 hours of delivery if there are any shortages or damage. Please check your goods carefully on arrival to ensure the number of boxes delivered agrees with the volume figures on the invoice when signing for the delivery. If there is any sign of damage on the boxes it is crucial to note this on the delivery sheet. Without this it is not possible to make a claim from the courier company. Arabica Food Limited cannot be held responsible for damaged goods received that are not signed as such.

PAYMENT

Subject to credit checks, trade references and order volume we offer credit account terms of up to 30 days from date of invoice. As credit accounts involve an administrative cost, newly established or smaller accounts may be required to pay on a pro forma basis or by direct debit through GoCardless. The title to our goods passes to our customers only upon receipt of payment in full.
